Product Name :
Engineering Square

Product Code :
SCHOOL-MES880037

Description :

Engineering Square

Technical Specification :

FEATURES:

Checking edges and ends of boards to see if they are square with adjoining surfaces

Checking the width or thickness of narrow boards

Checking flatness

Laying out lines perpendicular to an edge or side of a board

Measuring short distances

SPECIFICATION:

The try square has a blade (straight edge) and a stock (beam), which are fixed together at exactly 90.

The stock is much thicker than the blade.

The edge of the blade and the stock are perfectly sharp and straight.
